WRITING EXERCISE:  
LEADERSHIP PREVIEW

## LEADERSHIP - PREVIEW

---

You will have 90 minutes to develop an essay on leadership within your organization. All of the information you will need to produce this document is in the following text.

Define leadership and describe two different leadership styles that you will employ as a fire officer. Give specific examples of how you believe these leadership styles will impact both your crew and the organization as a whole.

Your paper should discuss the difference between formal and informal leaders as well as traits of a successful leader.

Your document will be scored using the following dimensions:

- Proper departmental format
- Accuracy
- Content
- Grammar, spelling, punctuation

Your time begins now!
